

DAHLE COMFORT-GRIP SHEARS

VANTAGE® SERIES

Sore, tired fingers are a thing of the past with Dahle's line of Comfort Grip Shears. These ergonomically correct shears provide a soothing surface for your fingers and allow for continued comfort as long as you cut. The screw fastened blades have a double ground edge which will allow you to cut through thicker material and cut all the way to the tip for fine trimming.

Dahle's Comfort-Grip shears are designed to accommodate the needs and comfort of both personal and professional use. They can easily cut through paper, fabric and card stock and are guaranteed to produce a clean cut each and every time. They are available in 5" 6" and 8" sizes.

COMFORT-GRIP SHEARS

- ▶ Handle surface has soft coating for comfortable gripping
- ▶ Ergonomically correct & reduce fatigue
- ▶ Double ground blades offer precision trimming of thicker material
- ▶ Screw fastened blades are made of rust resistant stainless steel
- ▶ Great for home, office and craft use

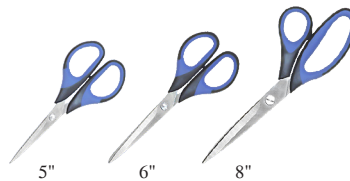

Soft cushioning is gentle on the hands and reduces fatigue when continually cutting.

Blades are screw fastened and feature a double ground surface to cut through thicker materials.
